*Enjoying the best of classical and
contemporary music.*

WIGTON CHORAL SOCIETY was formed in the 1950s, and has gained a reputation for a high standard of performance with imaginative programming. Our musical director, Ian Wright, has led the choir since January 2008.

We have about 40 mixed voices, and a repertoire which includes both religious and secular music from the 15th to the 21st century.

Our choir gives two concerts a year, in winter and summer, at St Mary's Church, Wigton or Wigton Methodist Church.

Choir members come from a wide area of north Cumbria, and new members are always welcome.

Singing in a choir is a wonderful opportunity to learn how to sing better, perform some wonderful music and make new friends. Singing helps tone your muscles, can reduce your stress levels, and leaves you feeling great! Your musical ear is trained by listening to others and blending your voice with theirs.

We rehearse on Thursday evenings, 7.30-9.30pm, at Wigton Methodist Church.

Membership is free for those under 26 in full-time education.
